Leading Developer of Components and Solutions for Flat Panel Displays and Solid State Lighting opens Taiwan office in Taipei

Cambridge, MA – August 12, 2006 – Fusion Optix, Inc. announced today that it will open an office in Taipei by the end of the month. The address will be located at 3rd Floor, Number 245, Section 1, Tun Hua South Road, Taipei, Taiwan ROC 106. Phone +886 (02) 2741-1162 x 118 Fax +886 (02) 6602-1098.

Matt Eagar has been appointed to be the Business Development Manager, Asia Pacific. Matt has worked in Tokyo and Okayama Japan, Elmhurst, IL and Dayton, NJ. Matt graduated from Princeton University's department of East Asian Studies and has his masters from Northwestern University's McCormick School of Engineering. He is proficient in verbal and written Mandarin Chinese and Japanese. Matt looks forward to the opportunity: "There is no place I would rather do business today than Asia. In addition to having family and friends here in Taiwan, the people are dynamic and future prospects look bright. In both display and lighting markets, this region holds great promise."

About Fusion Optix

Fusion Optix's world-class team is pioneering innovative high performance custom solutions, products, and technologies for global optical markets, such as displays and LED lighting. Our approach to focus on leading edge optical design and fundamental materials science, as well as advanced manufacturing, has resulted in a unique highly customizable product platform and system solutions that leverage this platform. Fusion Optix is privately held and funded by major international investment firms. We have established a dedicated global customer support and supply chain infrastructure to respond to the demands of the world's leading companies.

This press release contains forward-looking statements, including, without limitation, statements concerning our possible or assumed future results of operations. These statements are preceded by, followed by or include the words "believes," "could," "expects," "intends" "anticipates," or similar expressions. Our actual results could differ materially from those anticipated in the forward-looking statements for many reasons including the general risks and uncertainties inherent in the current business climate and within our industry as a whole. Although we believe the expectations reflected in the forward-looking statements are reasonable, they relate only to events as of the date on which the statements are made, and our future results, levels of activity, performance or achievements may not meet these expectations. We do not intend to update any of the forward-looking statements after the date of this document to conform these statements to actual results or to changes in our expectations, except as required by law.
